

## UNDERSTANDING THE DIVINE INSTITUTIONS “Civil Government”

### I. UNDERSTANDING THE DIVINE INSTITUTIONS

#### D. Civil Government

1. “Civil government” or “governing authority” came about after the \_\_\_\_\_ & via the \_\_\_\_\_ Covenant. Here man was given *divine authority* to \_\_\_\_\_ mankind & to \_\_\_\_\_ in the world.
2. God established the \_\_\_\_\_ with mankind & the animals and called it an “\_\_\_\_\_ covenant” as it has \_\_\_\_\_ been rescinded and is still in effect \_\_\_\_\_ (9:8-11a)

- What did the Noahic Covenant state? (Genesis 9)

- 1) (9:1) – So God \_\_\_\_\_ Noah and his sons, and said to them : “be \_\_\_\_\_ & \_\_\_\_\_ and fill the earth... ie... have \_\_\_\_\_ as this was designed to fulfill the second & third divine institutions, of “*marriage & the family*”.
- 2) (9:2-3) – Man’s Responsible Dominion Mandate over the \_\_\_\_\_ was still within man’s dominion, allowing him now to \_\_\_\_\_ as part of his diet.
- 3) ( 9:3-4) – Man was told he could \_\_\_\_\_ the flesh of animals, but not with the \_\_\_\_\_ !

- Why was man now allowed to eat meat?

- 4) (9:5-6) – Under the Noahic Covenant, God demanded a \_\_\_\_\_ , a \_\_\_\_\_ for the shedding of another man’s blood... this was for \_\_\_\_\_ !
- 5) God here instituted \_\_\_\_\_ which has never been rescinded by Him

- **God’s point here:** human beings, and all their \_\_\_\_\_ structures, are to \_\_\_\_\_ human life because it is uniquely \_\_\_\_\_ to God!

- 6) So with this new dispensation and revelation came another divine institution, that of \_\_\_\_\_ !
- 7) Human government’s objective should be to \_\_\_\_\_ human life and to \_\_\_\_\_ those have no regard for human life!

- Human Government = a system of administration by which a community is managed, controlled, or restrained by laws that are hopefully.... \_\_\_\_\_ & \_\_\_\_\_!
- Even in governments that seek to be righteous, that seek to have their laws written after righteous biblical principles, they still make \_\_\_\_\_ & sooner or later men & women are put to \_\_\_\_\_ for a crime they did not commit!
- Since that happens in any society, even our own! The death penalty is to be \_\_\_\_\_ to the best of our \_\_\_\_\_ in determining someone's \_\_\_\_\_ in a court of law!
- Because of the fear of being *wrong*, governments have \_\_\_\_\_ about using capital punishment by stating something like this...
  - Man's view - "it is better for 100 \_\_\_\_\_ persons to go *free*, than for \_\_\_\_\_ innocent person to die *unjustly*!"
  - God's view - "it is better if \_\_\_\_\_ innocent person *dies* than for \_\_\_\_\_ guilty persons to go *free*!"
  - What does this mean for you?
- Now God has graciously invested His authority in \_\_\_\_\_
