

**HABAKKUK'S PRAISE IN LIGHT OF GOD'S WAYS**  
**Habakkuk 3:1-15 pt2**

**A. In Chp 1**, we saw the prophet heavily \_\_\_\_\_ and in a \_\_\_\_\_ between himself & God as he viewed the nation of Judah concerning what he saw there.

**B. In Chp. 2**, God answers Habakkuk through a \_\_\_\_\_ mentioning a number of \_\_\_\_\_ times that he should look forward to - 3 appointed are stated:

1. Just like Judah, there is a time yet appointed when Babylon \_\_\_\_\_ for her \_\_\_\_\_ (2:5-13, & 15-19)
2. There is a time yet appointed (in the future) when “the \_\_\_\_\_ will be filled with the \_\_\_\_\_ of the Lord” (2:14)
3. In the meantime, the \_\_\_\_\_ ones are appointed to \_\_\_\_\_ now by their \_\_\_\_\_ & \_\_\_\_\_ the Lord for the uncertain times like these (2:4)

**C. In Chp. 2**, we also saw \_\_\_\_\_ or \_\_\_\_\_ given by God upon Babylon for her sins against humanity!!

**D. In Chp 3**. Habakkuk \_\_\_\_\_ & \_\_\_\_\_ God for His plan & insight of how He is going to handle these issues!

• In Habakkuk's prayer to God, in light of this knowledge, he requests 3 things (3:1-2)

1) O Lord, \_\_\_\_\_ your work in the midst of the years

2) O Lord in the midst of the years make your \_\_\_\_\_!

3) O Lord, when you \_\_\_\_\_ in your wrath, ... remember ... \_\_\_\_\_!

1. As we look ahead, in vs 3 -15, we see that Habakkuk's prayer \_\_\_\_\_ many of the awesome \_\_\_\_\_ the Lord had performed for the nation of Israel in their \_\_\_\_\_.
- a. Let's ponder the \_\_\_\_\_ as we read these verses (3-15), seeking to \_\_\_\_\_ their meaning.
- b. In these verses, Habakkuk recalls the \_\_\_\_\_ and \_\_\_\_\_ of God in the past ... bringing His people out of Egypt to their Promised Land (3:3-ff)
- c. We also can note the musical pause here by the word" \_\_\_\_\_," usually meaning to stop & \_\_\_\_\_ / \_\_\_\_\_ on what was just said!
- d. As one commentator said, chp. 3:3-15, is a \_\_\_\_\_ within this recorded prophecy about a time in Israel's past that was filled with \_\_\_\_\_ so that the people of Judah, or those from another time, could learn to \_\_\_\_\_ in their uncertainty or difficult time!
2. Recounting those \_\_\_\_\_ gave the prophet \_\_\_\_\_ that God would bring His people \_\_\_\_\_ this period of difficulty/captivity and that He had a \_\_\_\_\_ for the nation & the world in the future!

\*What applications can we make here?

1. Habakkuk is able to look back at Israel's history & see God's \_\_\_\_\_ in delivering His people in the past! – It is obvious that the Lord has \_\_\_\_\_ for His people in their \_\_\_\_\_, and Habakkuk \_\_\_\_\_ that He will do it for His people again in the \_\_\_\_\_!
2. Habakkuk mentions God's heart of \_\_\_\_\_ for his people, with His "anointed" in the past – whether this is a physical salvation or a spiritual salvation – the point is God \_\_\_\_\_ for His people. So when we are uncertain about whatever unsettles us in our lives – and we turn to Him in prayer - realize that God is \_\_\_\_\_ because He \_\_\_\_\_ for His own!
