Missions and the Local Church

These missionaries were...

- _____ their local church
- _____ their local church
- _____ by their local church
- _____ primarily by their local church
- specifically, _____ to their local church
- spiritually _____ back in their local church
- Thus, it is clear from Scripture that God has chosen _____ as the focal point of His ministry today (Ephesians 4:7-16; 1 Timothy 3:15), including missions. Any missionary agency following this biblical blueprint must view itself as a _____ and not sovereign to those churches. The mission’s existence must serve to enhance and facilitate this divine _____ and mandate given to the local church, not vice-versa.
